

THE WILBERFORCE SCHOOL

2026 Reading Rally Sponsorship Form

February is Lower School Reading Rally month at The Wilberforce School. During Reading Rally, we challenge ourselves to read more than usual, to meet new authors, and to discover different genres. This focused time of reading also reveals tremendous growth in our students as they develop stronger reading skills as well as a deeper love and appetite for reading.

Another goal of Reading Rally is to ask family and friends to sponsor our students. As students pledge to meet reading goals, sponsors pledge to donate money to our school. As you consider supporting the reading efforts of our students, know that you are investing in classrooms that reflect our love for learning, love for literature, and love for students.

This year, we are continuing to raise funds to add more books to our libraries so all lower school students will have access to more age-appropriate books. Join us in equipping our spaces with worthy books and encouraging our students in their commitment to reading.

There are two ways to give. Donations are due Thursday, March 26th.
